BIRTHDAY PARTY QUESTIONS ANSWERED!

WHAT DAYS DO YOU OFFER PRIVATE PARTIES?

Private Parties are typically reserved for Friday Night, Saturday Afternoons and Sundays. Saturday evenings can be booked when there is not a special event. You can book a party any time online by clicking on the BOOK A PARTY link at the top of the website or by calling/texting the Birthday Hotline @ 201.596.6626 or by email to birthdays@gritsportstraining.com

WHAT DOES A TYPICAL PRIVATE BIRTHDAY BASH PARTY LOOK LIKE?

After participants check in (and we have confirmed they have signed the GRIT Waiver) they will be organized by our fantastic coaches into a series of activities in the GRIT Gym which will last approximately an hour. The kids will then take a group picture and then settle down for food and cake. Parties are 1.5 hours in length. You will have GRIT all to yourself during this entire time. Its your event! Or book an Ultimate Party for 2 hours (if space is available).

WHAT ACTIVITIES ARE THERE IN THE GYM?

GRIT is known for its gym and our incredible coaches. For your party you can pick up to two activities for your party such as:

- Parkour/Obstacle Course Racing
- Nerf Gun Battles (a GRIT favorite)
- Chase Tag
- Dodgeball
- Tug of War (a crowd favorite)
- Capture the Flag
- Soccer, Basketball, or Football
- and much more..

IS THE BIRTHDAY CHILD INCLUDED IN THE # OF PARTICIPANTS?

Nope! Our base Birthday Bash package is for "up to 15 participants" PLUS the Birthday Child. A participant is any child who attends (not who you invite) and is involved in the games and activities run by the coaches. We DO NOT charge for parents, grandparents or friends to stay and watch nor do we charge for babies and toddlers who attend but do not participate.

HOW FAR IN ADVANCE SHOULD I BOOK MY PARTY?

To ensure you get the time and date you prefer, we would recommend booking your party at least two months before. GRIT is typically booked out a month or two in advance

WHERE CAN MY GUESTS PARK?

There is paid street parking available in the area around GRIT via the [parkmobile](#) app. For those that want to park in a lot, Edison Park, located behind City Hall is the closest lot only 2.5 blocks away.

CAN WE BRING OUR OWN FOOD & DRINKS?

This is your private party! Bring your own pizza, food and drinks OR hire GRIT to do it for you. In addition, GRIT has a fridge/freezer to keep your ice cream or regular cake ready until your ready to blow out the candles.

We are here to make your event the best ever! We can't wait to celebrate with you! Book now as space is limited and going fast!
Visit our website for our cancellation policy at www.gritsportstraining.com.

BIRTHDAY PARTY QUESTIONS ANSWERED!

ARE THERE SPECIFIC PLACES FOR YOUNGER KIDS TO PLAY?

GRIT is filled with both foam and wooden obstacles. It is not designed for children under 3. While we allow younger children in the gym area they must be supervised by parents as our coaches are focused on delivering a great experience for the birthday and cannot be responsible for insuring a non-participants safety in the gym area.

WHAT IS THE DEPOSIT AMOUNT?

A \$250.00* non-refundable deposit is required to reserve a BASH or ULTIMATE party and \$600 for an UNLIMITED Party. Deposits are applied to the remaining balance at the end of the event. You can book a party any time online by clicking the BOOK A PARTY link at the top of the website or by contacting the GRIT Birthday Hotline at 201.596.6626 (text or call).

CAN WE BRING OUR OWN DECORATIONS | PLATES | NAPKINS, ETC?

GRIT Birthday packages provide standard white plates, cups, napkins, utensils, tablecloths and red (non-helium) balloons. If you would like to bring your own decorations or themed decorations, plates, and napkins with your birthday party, you are more than welcome to do so! We recommend a quick online trip to Amazon for decorations. Party City on the West Side of JC will deliver Helium filled balloons to GRIT on orders over \$70.

HOW EARLY CAN I ARRIVE FOR MY PARTY?

Our coaches will start setting up your Private Party approximately 15 minutes before the scheduled start time, so feel free to arrive around that time.

WHERE CAN I GET WAIVERS?

We recommend that parents sign waivers for their children on our website in advance so that it will automatically be in our system when they arrive. A signed waiver is required to participate or enter GRIT. Waivers only need to be signed one time. You can find the " Sign the Waiver" at the bottom of the GRIT website.
